Part 1: READ

16:66 النحل	<p>وَإِنَّ لَكُمْ فِي الْأَنْعَامِ لَعِبْرَةً نُّسْقِيكُم مِّمَّا فِي بُطُونِهِ مِنْ بَيْنِ فَرْثٍ وَدَمٍ لَبَنًا خَالِصًا سَائِغًا لِلشَّارِبِينَ</p>
	<p>And, behold, in the cattle [too] there is indeed a lesson for you: We give you to drink of that [fluid] which is [secreted from] within their bellies between that which is to be eliminated [from the animal's body] and [its] life-blood: milk pure and pleasant to those who drink it (M Asad)</p>
	<p>And verily in cattle (too) will ye find an instructive sign. From what is within their bodies between excretions and blood, We produce, for your drink, milk, pure and agreeable to those who drink it. (Yusuf Ali)</p>
	<p>And lo! In the cattle there is a lesson for you. We give you to drink of that which is in their bellies, from betwixt the refuse and the blood, pure milk palatable to the drinkers. (Picktall)</p>

23:21 المؤمنون	<p>وَإِنَّ لَكُمْ فِي الْأَنْعَامِ لَعِبْرَةً نُّسْقِيكُم مِّمَّا فِي بُطُونِهَا وَلَكُمْ فِيهَا مَنَافِعُ كَثِيرَةٌ وَمِنْهَا تَأْكُلُونَ</p>
	<p>And, behold, in the cattle [too] there is indeed a lesson for you: We give you to drink of that [milk] which is within their bellies; and you derive many [other] uses from them: for, you eat of their flesh (M Asad)</p>
	<p>And in cattle (too) ye have an instructive example: from within their bodies We produce (milk) for you to drink; there are, in them, (besides), numerous (other) benefits for you; and of their (meat) ye eat; (Yousuf Ali)</p>
	<p>And lo! In the cattle there is verily a lesson for you. We give you to drink of that which is in their bellies, and many uses have ye in them, and of them do ye eat; (Picktall)</p>

Part 2: LEARN

Milk was first delivered in [bottles](#) on January 11, 1878. The day is now remembered as **Milk Day** and is celebrated annually. The town of [Harvard, Illinois](#) also celebrates milk in the summer with a festival known as "Milk Days". There is a different tradition meant to celebrate dairy farmers in the "Milk Capital of the World."

Milk describes also whitish non-animal substitute like soy milk, rice milk, almond milk, coconut milk. Lactation is another name for milk production.

Holstein cows are dairy cattle specially bred for milk production. Some 90 % of USA cattle are holstein.

Part 3: THINK & CONNECT

- 1) In your own words, write the story of milk from cow to table.
- 2) Name some of Allah's powers displayed in milk production.
- 3) In addition to milk, how do we benefit from cattle?
- 4) How important is milk to us?
- 5) What would happen if all cattle in the world disappear?
- 6) Write a short poem entitled: The Amazing Milk Factory.
- 7) You may wish to arrange a field trip to a dairy farm.
